Star Bene Sempre – An Easter Story

'Look! So many eggs! One, two, three, four... How many are there?', asks Max.
Mum looks around and says, 'There are 24 eggs. Two dozen hard boiled eggs. Do you want to colour them? You can write your name in crayon.'

Hard boiled eggs = uova sode

It's Easter morning! The eggs are ready for grandma's house. 'Let's go. We are late! The Easter egg hunt starts at 11.00,' shouts Max.

Easter egg hunt = caccia all'uovo di Pasqua
